# Family Matters

## Please keep these people in your prayers:

**Jeannie Wingard's** surgery went well and she is doing good. She cannot have visitors in the hospital at this point though.

**Wendell Sherrell** is sick at home and is not feeling well.

**Jan Young** had a heart cath last week and it turned out good, but she had some complications during the procedure and they kept her overnight for observation. She is at home now and is doing good.

**David Lewis** had a scan last week that revealed small blood clots in his lung. He is awaiting the results of more tests.

**Jessie Nickell**, Hunter Nickell's brother, was admitted back into MD Anderson last week.

**Our sympathy** goes out to Charles and Barbara Cannon and their family on the passing of Charles' brother, Glen Cannon. He passed away last weekend.
